

WANT TO RESPOND TO MESSAGES OF HATE?

Bloomington United, an award-winning community organization which promotes diversity in our community, respectfully requests that you **do not engage** the demonstrators in any way.

Instead, we invite you to meet at [] where we are hosting a **peaceful gathering**, offering you warm hospitality, and providing a creative way for you to oppose these offensive messages.

Bloomington United has established the "**Every Minute Counts**" campaign, a non-confrontational approach that has been successful in several communities across the nation. We ask you to pledge money for each minute the demonstrators are spreading messages of hate in our community. Bloomington United will then distribute all donations to organizations that serve people who are being targeted by these hateful messages.

Help us tell the demonstrators that **we value diversity** in Bloomington! Please complete the pledge form on the other side to show your support for...
